

FRONTEND DEVELOPER

PROFESSIONAL SUMMARY

I am a Creative Software Developer student at Grafisch Lyceum Rotterdam, looking for a frontend/development internship starting in September 2026. I enjoy building modern, responsive and user-friendly websites and interfaces where design and code come together. I work with React, Next.js, JavaScript, TypeScript, Tailwind CSS, Figma and GSAP, and I am especially interested in frontend, UI/UX, web apps and AI-assisted development.
